### **PART-A (FOR SENIOR MEN AND WOMEN)**

#### **2) Brief Introduction of the Sport:**

We know that there are many racket sports in the world and like many other racket sports, badminton also has a long history! Badminton gets its name from Badminton House in Gloucestershire, England — the home of the Duke of Beaufort, where the sport was played in the last century. Before Badminton House, there was a game called Poona (a game which was played by British army officers stationed in India). Before Poona, there was jeu de Volant played on the European Continent, before that, battledore and shuttlecock, and, before that, Ti Jian Zi — as you can see, it's not easy tracking the lineage of the sport we now call badminton! The origins of badminton dates back at least two thousand years, a surprisingly long history for one of the Olympics' newest sports!

Worldwide popularity for the sport surged only after badminton's Olympic debut at Barcelona in 1992. The first major tournament was the Thomas Cup (world men's team championships) in 1948. There are now many world tournaments. After all these years, badminton is not so different from its ancient predecessors, nor from the game played by elite society in the mid-1800s, except for the speed of the game.

#### **2.1 Whether Olympic Games (OG) sports or not? If yes, since when introduced?**

**Ans.** Badminton became an Olympic sport in Barcelona in 1992 with the Singles and Doubles disciplines introduced for the first time in the Olympic Games. In Atlanta in 1996, a Mixed Doubles event was included and this is the only mixed doubles event in all of the Olympic Sports.

#### **2.2 Whether Asian Games (AG) sports or not? If yes, since when introduced?**

**Ans.** Badminton made its debut in the Asian Games as a demonstration sport at the 1958 Asian Games in Tokyo, Japan and became a regular debut, and became a regular competitive sport in 1962 in the 1962 Games, Six events were held, with singles, doubles and team event for both men and Women. The Mixed doubles event was added in 1966 Asian Games. There was a playoff between the two semifinal losers to determine the sole winner of the bronze medal in 1962, but since 1966, two bronze medals per event are awarded in each event (except in 1974).

### 2.3 Other level of Championships where sport is played.

**Ans.** Commonwealth Games Sport - 1966: Badminton was introduced as a Commonwealth Games program since then. Initially all five disciplines were included - Singles (Men, Women), Doubles (Men, Women) and Mixed Doubles with the Teams Event included in the program in later Commonwealth Games.

**Badminton Asia Championships, World Badminton Championships, Sudirman Cup World Mixed Team Event and Thomas & Uber Cups men's and Women's world team championships.**

2.4 Total No. of Events and Medals at Stake in Men and women Category in OG, AG and CWG.

**Ans.** a) In **Olympic Games** there will be **05 Events** i.e. Men Singles, Women Singles, Men Doubles, Women Doubles and Mixed Doubles and **15 Medals** (05 Gold + 05 Silver + 05 Bronze).

b) In **Asian Games** there will be **07 Events** i.e. Men Team Event, Women Team Event, Men Singles, Women Singles, Men Doubles, Women Doubles and Mixed Doubles and **21 Medals** (07 Gold + 07 Silver Medal + 07 Bronze)

c) In **Commonwealth Games** there will be **06 Events** i.e. Mixed Team Event, Men Singles, Women Singles, Men Doubles, Women Doubles and Mixed Doubles and **18 Medals** (06 Gold + 06 Silver Medal + 06 Bronze)
