**Subject: Regarding participation of NRI Players in BAI tournaments**

Dear President/Secretary,

It has come to the notice of the BAI that various Non-Resident Indian (NRI) players staying in other countries are participating in BAI sanctioned tournaments in India without proper BWF ID. Such players are participating in these tournaments with the BWF ID registered from other countries.

It has been decided that if such players wish to continue to participate in the BAI tournaments in future, they should obtain an NOC from the Badminton Federation/Association of the country of their residence to apply for a transfer of their BWF ID to India.

You are, therefore, requested to inform such players to complete the transfer process of their BWF ID latest by 31<sup>st</sup> December 2022 failing which they will not be allowed to participate in the BAI tournaments from 1<sup>st</sup> January 2023 onwards.

Regards,

(Sanjay Mishra)
