Subject: Direct Selection/Selection Trials of players for the Thomas & Uber Cup 2022, Commonwealth Games 2022, Asian Games 2022 and Core Group Probables for the Olympics 2024.

Dear Members,

As regards the selection process of the players for the major international events as mentioned in the subject line above, the Badminton Association of India Selection Committee met on March 31st, 2022 at 3:30 PM via video conferencing, and has taken the following decisions and laid down the following criteria:

In total, a group of 60 players are supposed to be selected through direct selection and selection trials.

The Selection Committee unanimously decided that the players with World Ranking up to #15 will be directly selected for the Thomas and Uber Cup 2022, Commonwealth Games 2022 and Asian Games 2022. Following are the players selected for direct selection by the selection committee:

Men's Singles	Women's Singles	Men's Doubles
Lakshya Sen - World No 9 Kidambi Srikanth - World No 12 H.S. Prannoy* - World No 23	PV Sindhu - World No 7	Satwik Sairaj / Chirag Shetty - World No 7

**In the specific case of H.S. Prannoy, it was discussed in detail that though he is not in the Top-15 of the World Rank, all the selectors were of the unanimous view that since he has performed consistently at various top international events, and also beaten top players consistently, he should be considered for selection directly, without having to participate in the trials.*
